that the unlawful killing of migratory shifted the crutch from under his right waterfowl during the spring flight, was arm to the left hand, which already greatly reduced this year as compared with the heavy slaughter during the spring flights of former years. It has said he, "as to sell to a humble common-spring flights of large majority of people are impressed with the fact that the government's work for bird protection is not only a wise conservation measure, but is necessary to perpetuate hunting as a sport. The federal law protecting the migratory birds is thus being better observed and birds are not being molested so much in spring as formerly, with the result that they are now breeding in many places from which they were formerly driven be-cause of constant disturbance from pring shooters. A message from one of the wardens regarding the spring flight of geese in South Dakota shows that excellent results are being secured under the migratory bird treaty act regulations. "Never, even in the memory the old timers, has eastern South Dakota seen a spring flight of wild geese such as has taken place this year. They have flocked into lakes and fields in countress enousands."-Washington

Not Committing Himself.

Steve arrived late at work nearly every morning, and the warehouse manager took him before the manager nager, with assumed sternness.

"H'mt Have you ever been up before general agent, 45 State street, Mont-me since you started working here!" pelier Vt George J. Scager local agent.

continued the manager.
